

ACCIONA is a global company, a leader in providing regenerative solutions for a decarbonized economy. Its business offering includes renewable energy, water treatment and management, eco-efficient transport and mobility systems, resilient infrastructure, and more. The company has been carbon neutral since 2016. ACCIONA recorded sales of €19.19 billion in 2024 and has a business presence in more than 40 countries.

ACCIONA operates in the Dominican Republic through its construction, water, energy, and airport services businesses, as well as its ACCIONA.org foundation. It has more than 150 employees in the region, while generating hundreds of jobs through its construction processes.
